

Kestrel Signposts 4

1. For a warm up starter – why not try the 'Fish Fruit Flower' I've posted in the Google Classroom. Letter: O

2. Next, get someone to test you on last week's spellings. Let me know how you got on by filling in the form in the Classroom.

3. 20 mins morning read! If you haven't already filled in the Friday Reading Register in the Classroom, do

Practice this week's NEW spellings by doing a squiggle and writing each one 3 times in a different colour!

Monday – Art afternoon!

Vincent Van Gogh!

Look up some of this great artist's paintings. See if you can copy one of his paintings in his style – crayons, paints, even felt tips would work for this. If you're not sure which to choose, try one of the ones on this page!

Literacy: World War I – The Christmas Truce 1914.

Read about the Christmas day, when suddenly German and British soldiers stopped fighting for a few hours and exchanged gifts and played football. Tomorrow you will write your own 'diary' or letter to a loved one' about this experience.

Today: read about it https://www.ducksters.com/history/world_war_i/christmas_truce.php and make notes.

Watch: <https://www.youtube.com/watch?v=6KH0VBK2EVE> several times and make planning notes, ready to write your letter or diary on Tuesday. I'll put up a template on Google Chrome for you to write directly onto.

Please read at least 10 pages of your book in the morning and 10 pages in the evening.

Tell me what you've read on the sheet I've made on Chrome! Note down what you're reading AND what page you're on!

You can email me in Chrome: ajones@meldreth.education or ajones@meldreth.cambs.sch.uk

Don't forget to tune in to Newsround at some point to catch up with today's news!

Discuss the stories with your parents if you get a chance!

Recorder It would be so great if you can build in 10 – 15 minutes of recorder practice every day! Over the next few days, I shall post the music for the pieces we have been practising on our Home Learning page, along with some sound clips of me playing them, for you to play along with! DO let me know how you get on with this!!

Today's maths revision practice : Write 'Practice Problems' and the date and underline it in your Maths Journal.

Do the problems carefully. Ask for help if you get stuck.
Check them with a calculator and mark them in your book with a coloured pen. Jot down how you got on.

$$203,003 - 87,688$$

$$236 \times 7$$

$$46 \times 18$$

$$1116 \div 6$$

$$2652 \div 34$$

Maths – New Topic – Measures

LO Length – millimetres, centimetres and metres.

(Work in your Maths Journal)

a) Make a list of 6 things that you would expect to measure in:
millimetres centimetres metres kilometres

b) If you CAN: find the heights of everyone in your family and show this as a bar chart in your maths book.

This week's spellings: I'll post this week's new spellings in the Classroom. DO practice every day, but don't put spelling work in your LJ. Just keep it together in your skills book(if you have it) or in a folder.

TMG I have also posted the next chapter of Tom's Midnight Garden for you to listen to. It's the penultimate chapter!
