This ethos is embedded in our values and policies and is reflected in our entire supply chain. HCL is taking multiple steps to reduce our environmental impact by:

- Proactively educating and raising awareness of how all ages can support sustainability.
- Encouraging all staff across the business to be environmentally responsible through regular training. Ensuring we all adhere to environmental laws, policies and procedures.
- Working with our suppliers to replace any negative environmental impacts with **positive** ones. Meeting these requirements is **mandatory** for all our suppliers.
