

## February class council discussion

### **We would like to improve our school meals**

1. What do they think you think about the new school dinner menu?
2. What are your favourite meals?
3. What would your class tell a new child about the school dinners at Meldreth Primary school?

**Our next school council meeting...Thursday 15<sup>th</sup> March**

**Minutes (Chair – Isaac W, Secretary – James S)**

### **1. What do they think you think about the new school dinner menu?**

- **Woodpecker.** They say more portions and they do say the meals are ok, but they don't get all the best deserts. The jacket potato is chewy. And if you are second or last your food could be colder. Vegetables need to be cooked right.
- **Chaffinch.** There aren't enough things for everyone and the younger ones get bigger portions than the older ones.
- **Swallow.** We don't get enough food, we did also think about bands for the pudding, but we thought it would be to confusing.

### **2. What are your favourite meals?**

- **Kingfisher.** They mostly like fish fingers, pizza and pasta and macaroni cheese, roast dinners and quorn dippers but some people don't like them. They also like macaroni.
- **Woodpecker.** Corn dippers, macaroni cheese, all day brunch, pizza, beef strips don't give you enough, chipolata under wraps and fish and chips

- **Chaffinch.** Beef strips chicken korma and barbeque chicken.
- **Swallow.** Swallow really like the fruit and cookies. WE LOVE THE COOKIES!! The menu is confusing, the meals are ok but could be better, not always enough puddings.

### **3. What would your class tell a new child about the school dinners at Meldreth Primary school?**

- **Kingfisher.** If you don't like school dinners on that day you could ask your Mum for a packed lunches.
- **Woodpecker.** Some are good and some bad but overall alright
- **Chaffinch.** Don't waste food.
- **Swallow.** The menu is confusing, the meals are ok but could be better, not always enough puddings.

### **More suggestions**

- Have bands for desert, make more deserts. Go in earlier, but we do go in earlier now and we get more break. Fudge tart apple tart and cappuccino cake with chocolate flakes on top please. Waffles are too hard.
- We don't have but we would like...lasagne, salmon and sea food day.
- The cooks need to wear hair nets. They need to make enough food for the whole school.

**Mrs Howard told us that from Easter we have a new menu. (*The children were very excited – Mrs Howard*). The company who run school meals won't be providing them soon as we are changing company.**
