

Meldreth VS Melbourn!

On Tuesday the 13th October Meldreth played Melbourn. We (Meldreth) were really excited to play because it was a first game back after the summer break. This is the starting line-up.

Defence

Freddy

Kurt

Henry

Midfield

James. H

Ryan

George

Striker

Oscar (Me)

Bench: Kai

It started pretty well for us as we were putting pressure on them in the first couple of minutes with free kicks and shots. Eventually we scored a goal after Ryan has a shot and it goes in the left top corner. We weren't finished there though as James manages to get his foot to the ball and puts it in.

After that it was half-time. We had a discussion about the game whilst having an orange. When the second half started we knew we would make history if we could score again because Melbourn have been so good and have beaten us in pretty much every game! It did not stop there as I take a shot and Henry headers it in. 3-0 to Meldreth but we were not finished there as Ryan finishes a rebound to make it 4-0! We were playing as the better team.

We really wanted to score more goals and that happened as I take a shot and Henry headers it in AGAIN! He was always there to score the rebounds which were good because the ball landed right at him again and he scores to make it 6-0! We were so excited because we were beating Melbourn by 6 GOALS! But then Meldreth have one more chance before the end of the match for Oscar as he runs through, he is one on one with the goalkeeper and shoots with his left foot and scores! 7-0! They then decided to play defensive and try not to concede a goal.

The ref blows for full time! It was 7-0 with goals from Henry (3) Ryan (2) James (1) Oscar (1). At the end of the match we all celebrated with biscuits!
