Handwriting

Find a piece of paper or a writing book and practice writing these high frequency words.

your

very

by

time

Write a sentence using each of the words above.

Writing activity:

Go in to your garden or an outdoor space with an adult. Look for interesting things to write sentences about. You can say your sentences if that is easier. Your challenge is to use lots of amazing adjectives to describe what you see. Here are some examples -

There is a bright golden yellow daffodil sitting in the soil.

I can see a big busy bee flying around the garden.

Remember to use:

A B C			Read
capital letters	finger spaces	full stop	read it again

PHONICS – visit <https://www.bbc.co.uk/iplayer/episode/b01dlx1t/alphablocks-series-2-13-hill> Things you can do afterwards - 1. If you have some magnetic letters, fill a sink with bubbles and put the letters in. Can you pull letters out and make words with them just like the alphablocks do in the bath? 2. Find objects that have 'll' in them like ball.

Maths - Capacity

Activity 1.

Find a jug, cup or a bottle. Fill them with different volumes of water to show the following:

FULL

HALF FULL

NEARLY FULL

NEARLY EMPTY

EMPTY

Activity 2. Find three or more different containers. Can you create an experiment to find out which container has the greatest capacity (can hold the most)?

Helpful hint - think about what you can use to measure - cubes, rice etc. Make sure that your measuring is consistent. Use the same amount of rice on a spoon if using rice, same size cubes if you are using cubes.

ART ATTACK!

Colour mixing - If you have paint/crayons at home use the primary colours **red**, **blue** and **yellow** to make **purple**, **green** and **orange**. Try making other colours too.

Use your paints/crayons to make a picture of what you saw in your garden for the writing activity above.

A little bit extra... Visit

Bonus task - Act out your own version of Daisy Eat Your Peas.

What would make you eat your peas?
What vegetable would you make your parents eat?

Show what you know or find out what you can about each of the headings. Try to do some work on each of the tasks but do try **and** do MORE about the one you like the sound of most.

Ask a parent to email your work for Miss Jackson or Ms Haigh to mark.
