We had a delightful end to last week with a very sunny Sports Day. Thank you to all those who helped out especially the MVC sports leaders who were fabulous, and very positive with the children and a big well done to all of the children who took part. A special thanks to Mrs Samways and Miss Jackson for their organisation. A selection of photographs will be appearing on the website soon.

This has been followed by a jam packed week, this week, although a little quieter in school this week, as Year 6 travelled to Scarborough for their end of year residential trip. It appears that they have managed to dodge the rain, mostly, although soggy washing on their return will tell the true story.

There is a currently a flurry of paperwork in school as children review their year at school so far ready for end of term reports next week.

Do make note of the meet the teacher day and our **Summer Picnic Lunch** for pupils with their new teachers on Wednesday 19th July. Who can resist takeaway fish and chips on the field with friends! There is an opportunity for you to visit your child's new classroom and meet the teacher after school too.

Gold Fever

Great News! Meldreth has achieved **GOLD!**

The Sainsbury's School Games Mark is a Government led awards scheme which reward schools for their commitment to the development of PE, sport and competition across their school.

We were assessed against the following criteria

- ★ Commitment to a minimum of 2hrs of physical education per week
- ★ Participation in intra-school competitions (within school)
- ★ Participation in inter-school competitions (external competitions)
- ★ Leadership schemes
- ★ Extra-curricular clubs
- ★ Promotion of external providers
- ★ Provision in place to develop 'Gifted and Talented' children
- ★ Promotion of results and reports for newsletters/website
- ★ Continued Professional Development of wider school staff to support PE

We are very proud of our award and look forward to another great year full of sport and fun!

Help us find our books!

Lots of precious reading books go missing every year, and it's possible that lots of these may be sitting on your bookshelves at home, lying under beds or lurking in book bags, waiting to be returned to school.

PLEASE have a really good hunt around for books that belong in school: they may have a school stamp on them or your teacher's name inside. We are asking children to ask adults at home when they have had a look around so that we can make sure everyone is joining in the search!
