

WREN SIGNPOSTS

ICT

Use STARZ to email a friend. Tell them what you have been up to. You could include some questions.

MUSIC

Use materials you can find around the house to create your own musical instrument. Take a picture or make a video of you using your instrument.

MATHS – See the challenges below which explore more work from our fractions unit. This may be new to you. Ask a family member to help you with this.

READING – Please read to a family member. Email me to let me know what you have read.

PHONICS

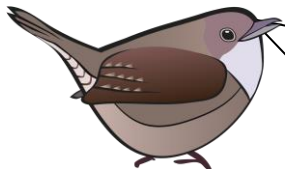

Check your 2Dos on Purple Mash. I have added a suffix quiz to complete.

Link: <https://www.purplemash.com/>

ENGLISH

We have created our own marvellous medicine. The next step is to create an advert. This is a persuasive piece of work. You could create a video, poster or leaflet to advertise your potion.

I have included a persuasive writing checklist.

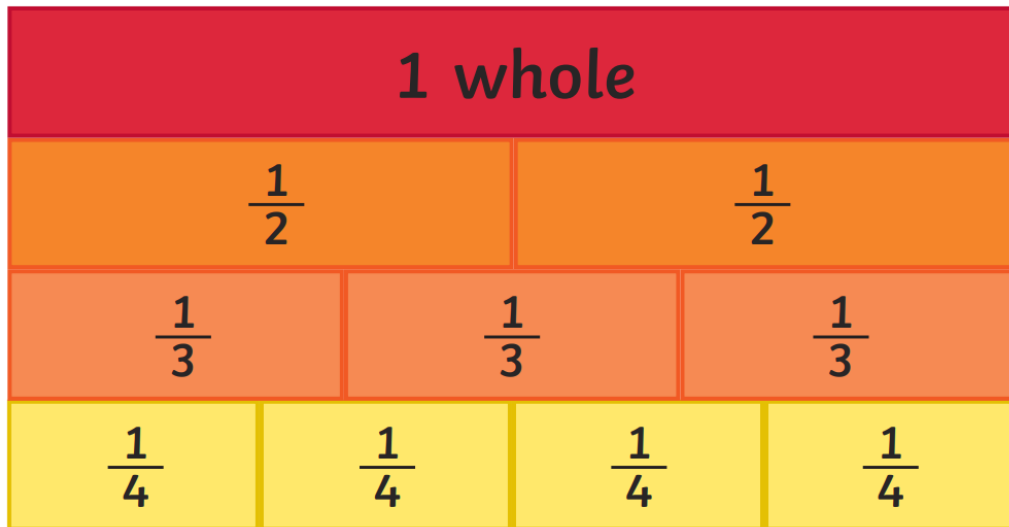

Show what you know or find out what you can about each of the headings. Try to do some work on each of the tasks but more on the ones you really enjoy. Ask a parent to email your work for Miss Cole (jcole@meldreth.cambs.sch.uk) to mark.

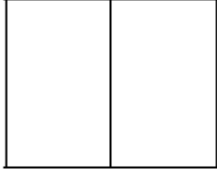

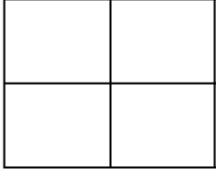

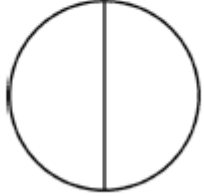

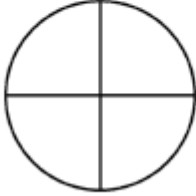

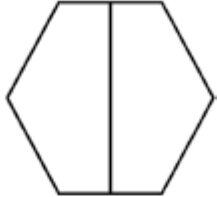

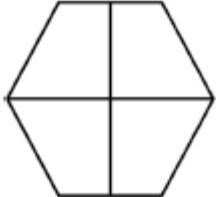

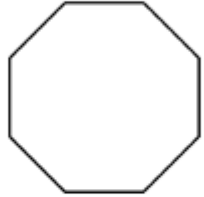

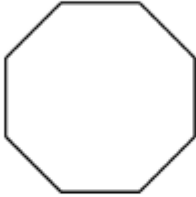

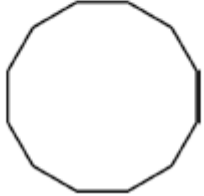

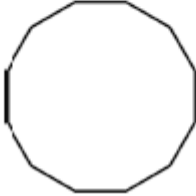

EQUIVALENT FRACTIONS

Challenge:

Split the shapes then shade one half and two quarters of each of the shapes. Some shapes have been split for you.

Fraction Wall:

$\frac{1}{2}$	$\frac{2}{4}$
	
	
	
	
	

MARVELLOUS MEDICINE ADVERTS

Create your own advert for your magical medicine.

Did I...	I have checked my work.	I asked a family member to check my work.
introduce my medicine?		
give reasons why people should buy the medicine?		
include interesting facts to persuade my audience?		

If you are writing in full sentences, don't forget your writing essentials.
