

January class council discussion

We are looking at ways to improve our playtime outside in winter.
We are collecting Sainsbury's vouchers to swap for new equipment.

What playground small equipment would the children in your class like to use?

See the information below.

We would like a pot for the chalk so that children can change colour and don't have to ask Mrs Robinson, new netballs, mini hoops, badminton sets, a new bowling set.

What games do you like to play together?

Netball, basketball, football, it, team it, catch, hide & seek, hula-hoop, demented demons, 50, tennis.

We like the tables with the toys on them for the younger children. It is very busy on the other playground when only one class gets to play basketball.

 Rainbow skipping rope 22 Vouchers 42	 Stampabouts 36 Vouchers 19	 Tetra bean bags 34 Vouchers 7
