It has been wonderful to see the new learning in school this week. There is an exciting term planned with beanstalks and dragons and maps exploring India appearing in school with lots of opportunities for **'learning together for life'** at home too.

Your child's curriculum map for the term should be coming home to you shortly. Please take time to read through the learning planned for your child and consider the suggestions for extending topic work at home through visits to the local library or local museums and art galleries. This guide and class weekly timetables can be found on your child's class page on our school website.

## Parent Consultation Evenings

We are hosting our parents' consultation meetings on **Thursday 22<sup>nd</sup> and Wednesday 28<sup>th</sup> March**. This is an opportunity for you to have a progress update from your child's teacher, and for the teacher to provide an overview of your child in school.

Look out for further notice of our online booking system opening after half term. **We hope to see you there!**

## Important!

On **Friday 2nd March**, and we would like to invite the children to celebrate this special day by **dressing up** as their favourite book character!

Please remember to **return trophies and medals** for Friday celebration assembly.

Do you have a white sheet to donate to school for batik work please?

### *We've done it again!*

You may recall that two years ago our footballers won the Cambridgeshire small schools' championship and went on to play in the Regional Finals for all Southern counties in London. Well, we've done it again! Well done to **Annabelle, Eddie, Cuan, Elias, Luca, Isaac, Charlie Daniel** and captain **George** for another breathtakingly exciting tournament at Impington Village College, where as the only unbeaten team, we pipped Harston (AGAIN!!) by one point and emerged champions. Many thanks as always for the fantastic parental support, especially to **Charlie and Elias' Dads** who sacrificed the opportunity to see their boys sparkle on the cold pitches of Impington to help Mrs Maskell tow the minibus out of the mud!!

### *Homework Ambassadors*

Please let us know if you are interested in joining a working party with school leaders to look at homework tasks for your children at Meldreth Primary School. If you are interested please let us know via the school office.

### *Spring Blossoms*

You may have noticed the bulbs that have started to push through around the base of the tree in front of the school office. **This area is now off limits** to allow the bulbs time to flower, frost permitting! Please ensure your child stays to the paths. Thanks again to the parents involved in planting the 200 bulbs, and for your co-operation.

### *School Places*

If you have a child due to start school in September 2018, **the first application round is now closed**. To apply as part of the second round please contact Admissions at the link below or telephone on 0345 045 1370. Please check with friends that applications have been made. Thank you.
