Thank you to all the parents who attended our "Meet the Teacher" meetings and took a look around your child's new classroom, we hope that you found it useful. We will, of course, be running a similar event once our building work is completed and Osprey, Kite and Kestrel are in their permanent homes.

We also hope that all the information that was shared with you on the evening and that shared on parent pages on our school website will give you a good understanding of what the expectations are for the class and how you can support your child's learning at home.

If you could not make the drop in and would like to find out more, please speak to your child's class teacher.

A resounding 'Thank You' to parents, members of our PTA committee, who met this week to begin their careful planning of our parent and pupil events for the year. If you missed our AGM but would like to come along and find out more, the next PTA meeting is on **Monday 1st October 2018, 7:30pm** at The British Queen.

Parent Consultation Evenings

We are hosting our curriculum parents' meetings on **Wednesday 7th and Thursday 15th November**. This is an opportunity for you to come and **meet your child's new teacher**, and for the teacher to provide an overview of your child at school. Remember that you and the teacher are a partnership. If you can have regular contact with the teacher and keep the same goals in mind, then your child will see the benefit. The Lookout will be offering their Parents evening special rate for you to drop children off whilst you are in your meeting.

Dinner Money

School dinner money this year is **£11.50 per week**, (£2.30 per day). The amount due for this half term up to and including 19th October is £71.30. Payment can be made by ParentPay, cheque or cash in the Finance letterbox outside the school office.

We believe that Lunchtime should be the highlight of the day for everyone at Meldreth Primary School. We want to help children gain a real appreciation for good quality food, where it comes from, how it's produced and why healthy food is important.

From the 8th October our school meals will be provided by Cambridge-based specialist schools caterer; The Lunchtime Company www.lunchtime.co.uk. They provide delicious, nutritious and healthy meals every day.

Together we offer children a wonderful choice of hot food, fresh vegetables, freshly baked bread, fresh fruit, yogurt, jacket potatoes... there really is something for everyone. All meals are cooked from fresh ingredients every day, sourced locally (where possible within a 60 mile radius of the school), and prepared on-site. We look forward to sharing our new menus with you.
