

# Kestrel Signpost 5

1. For a warm up starter – try the Sudoku puzzle below:

2. Next, practice this week's spellings for 20 minutes, using the ABC order sheet on the Home Learning page of the website.

3. 20 mins morning read! Keep a note of what you've read

## Tom's Midnight Garden.

Listen to the two last chapters of TMG on the Website Home Learning Page. There will be a written task about this tomorrow.

Practising Spanish every day will be better than once a week. Go onto Duolingo <https://www.duolingo.com/learn> and get started!!

## Tuesday – PE

I did the Joe Wicks workout yesterday – it was intense but great!

<https://www.youtube.com/watch?v=d3LPrhI0v-w>

Why don't you have a try today (and EVERY day!). I think you'll find it more challenging than you expect!

## Literacy: World War I – The Christmas Truce 1914.

**LO Write a letter or diary from someone who witnessed the truce!** <https://www.youtube.com/watch?v=6KHoVBK2EVE>

Today: Find the template on Google Chrome. Write your own 'diary' or letter to a loved one' about this experience.

You can do this on Chrome OR directly into your Learning Journey. DO TRY AND ILLUSTRATE YOUR WORK, TOO.

SS\*\* Really descriptive sentences with fronted adverbials, strong adjectives and adverbs and plenty of sentences with conjunctions to make some of your sentences more complex. YOU WILL HAVE TWO DAYS FOR THIS, so don't feel you've got to finish it all in one go!

Please read at least 10 pages of your book in the morning and 10 pages in the evening.

**You can email me in Chrome:** [ajones@meldreth.education](mailto:ajones@meldreth.education) or [ajones@meldreth.cambs.sch.uk](mailto:ajones@meldreth.cambs.sch.uk)

Don't forget to tune in to Newsround at some point to catch up with today's news! Discuss the stories with your parents if you get a chance!

 It would be so great if you can build in 10 – 15 minutes of recorder practice every day! Over the next few days, I shall post the music for the pieces we have been practising on our Home Learning page, along with some sound clips of me playing them, for you to play along with! DO let me know how you get on with this!!

	6		3			8		4
5	3	7		9				
	4				6	3		7
	9			5	1	2	3	8
7	1	3	6	2			4	
3		6	4				1	
				6		5	2	3
1		2			9		8	

## Maths Measures 2

LO Length – millimetres, centimetres and metres.

(Work in your Maths Journal)

Find 5 objects that are less than 1 m in length and 5 objects that are more than 1 m in length. **ESTIMATE** their length then measure them if you can, and show their actual lengths. (If you don't have a ruler or tape measure, just work from your estimates)

Record your findings in mm, cm **AND** metres: for example:

Blue mug: 110mm = 11cm = 0.11m

**Today's maths revision practice** : Write 'Practice Problems' and the date and underline it in your Maths Journal.

$$80.4 \times 10$$

$$7.5 \div 10$$

$$53 \times 100$$

$$202 \div 100$$

$$0.055 \times 1000$$

$$12\,040 \div 1000$$

Which of these fractions are equivalent to  $\frac{4}{6}$  ?

$$\frac{8}{10}$$

$$\frac{2}{3}$$

$$\frac{16}{20}$$

$$\frac{6}{9}$$

$$\frac{8}{12}$$
